Just Passing Through  
2004 - 2005

Dear Reader,

Here is the next edition of the Warwick Academy Year Book.

I know that there are families who have been keeping all of these publications in the interests of compiling an historic collection. The unique feature of this Book is that it is being prepared without a 'Graduating Year' at the Year 5 level as its focus.

The reason for this peculiarity is that we introduced the two-year International Baccalaureate as our Sixth Form programme last September. This means that all who opted for it, have another year of study to undertake before they 'Graduate' to College or University as the first students to do so at the end of Year 13. The old Year 5 is now Year 11 – on the way to Graduation.

The last Year 5 Graduates are now undertaking our last one-year programme in the Sixth Form as Year 12 and will 'Graduate' in June 2005 as the last one-year Sixth Form Group. They will include a few younger students who also opted for this course.

But...enough of historical considerations. This is a Book to enjoy and from which to reflect back on a truly wonderful year. It began with very good examination results by a record number of students (pass rate 99.6%), continued with full and successful involvement in sport, music and other events and competitions and was a year in which we received new classrooms, bathrooms and our phenomenal Sports Hall.

This is a fine and noteworthy addition to the collection.

I hope you enjoy it.

Robert Lennox  
Headteacher

# Faculty and Administration

Mr. M. Albouy

# when your child is ready for college, will the funds be?

## **Education is the best policy.**

Your child dreams of becoming a rock star or a starter for the Lakers. You're thinking more along the lines of a brain surgeon or a computer programmer. Either way, a BF&M Educational Savings Policy is where dreams begin to become achievable. A BF&M Educational Savings Policy gives you both reliable yields and peace of mind.

## **It's never too early to get started.**

The earlier you start, the more time the money you invest will have to grow and compound.

## **To get started, simply call 295-5566 or visit us online at [bfm.bm](http://bfm.bm).**

A BF&M Educational Savings Policy is simple to set up. You can even have the premiums deducted automatically from your checking account. And you can get started with deposits of as little as \$50 a month. Your BF&M Life Insurance agent will be happy to help you fill out the forms to get started.

Dear Readers,

Between the covers of this book, are recorded the memories of a family; not just any family, but a very special family united under one banner, with similar goals in mind. For the past year this family have worked together, played together, competed against each other, shared fun times, supported one another, taken pride in each other's achievements and above all cared about one another.

The diversity of the Warwick Academy family is unique and nowhere is this better demonstrated than in this yearbook. It is a wonderful record of the passage of time. Treasure this volume, for it is yet another special year, in the history of our school, recorded for posterity, a year in which you have all played a part. Be proud that you are a member of this family.

Senior Team  
at Maitland

Senior Team  
at Titusville

## *FLORIDA SOCCER TOUR*

In October a squad of 32 headed for another tour in Florida where the boys played a total of six games. The older boys managed three wins in three matches while the younger ones had two wins and a draw against teams from Maitland and Titusville.

As well as playing soccer everyone was kept busy with visits to Blizzard Beach, Islands of Adventure or Universal Studios and the Florida Mall. The boys also had a ride on an airboat on the St. John's River and surrounding wetlands outside Titusville, battled at the Orlando Paintball Arena and played minigolf at Pirates Cove. Some students tried their hand at skateboarding at the new Vans Skateboard Arena and a few even tried reverse bungee jumping.

All in all, another excellent tour and the boys should be congratulated on their performances on the field and their exemplary behaviour throughout the trip. Many are already planning for 2005.

*Primary 3 have art lessons with local artist, Mrs. Stephenson*

# Primary Adventures

Primary students enjoy learning in and out of the classroom.

*Primary 1 students and parents celebrate Orange Day in October. Everything from orange drink, orange food and orange crafts were enjoyed by all!*

*Top Left: Mrs. Dyers presents teddy bears donated by primary students to Mrs. Cooper.*

*Primary 5 visit Barritt's soda factory for an inside look at how soda is produced and packaged for distribution in Bermuda.*

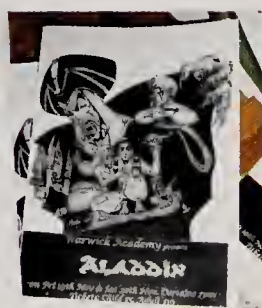

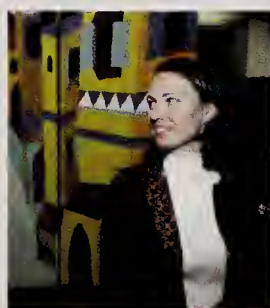

The cast prepares for dress rehearsal.

# Aladdin

Warwick Academy's second annual middle school production, "Aladdin", took place on November 19th and 20th, with two sell out audiences. The 40 strong cast enjoyed themselves as Aladdin saved his Princess from death and managed to outwit the evil wizard.

Top left: Marcus Symonds as The Forbidden Cave.  
 Below Top Left: Makeup: Miss Boate & Sean Baker.  
 Top Right: Aladdin & Best Friend: Rajai Denbrook & Deborah Ward.  
 Middle: The Genie, Zach Marshall, & Lord, Malachi Symonds  
 Bottom Left: Aladdin & his Princess: Rajai Denbrook & Genesis Edwards.  
 Bottom Right: Before opening night students assist with the painting of the set.

# THERE IS A LIFE OUTSIDE THE CLASSROOM!

The Power of Partnership

Chief executives or business entrepreneurs?  
Only time will tell.

There's nothing as important as our children. In providing Bermuda's energy, we give our young people the opportunity to access technology they need to learn important skills for the **future**. And through our community sponsorship programmes, we support the people whose knowledge and experience make this **education** possible. At BELCO we understand that supporting our young people is the best **investment** we can ever make.

INSURING PROGRESS™

# Sports

# Morgan

**House Captains** Left Photo: (LtoR)  
House Captains: Raisa Tuzo and Nhoj Steede  
Vice Captains: Regina Arnold and Peter Souza

Morgan House continues to perform at a high level, although so far this year we are yet to taste an overall victory. This is a bit unusual as in past years we have dominated cross-country and have won many events including swimming and March Madness.

However, we placed second in both sports days so far this year and really were quite close to winning them. Overall we are doing great and Mr. Thorne contributes this to teamwork and cooperation.

House Master, Mr. Thorne says: "We try to focus on the positives in our House and are excited that the majority of people are doing their best to help our teams."

Submitted by Mr. Thorne

## Highlights of Morgan House include:

1. Morgan winning the O12 girls category in cross-country. Ashley Berry placed first and Brittany Hassell placed third.
2. Morgan dominated the U15 boys category with the first four runners represented Morgan. They were Aaron Evans, Justin Burke and Johnny Adcock and Forrest Williams.
3. We dominated volleyball earlier in the year, especially in the O12 and high school categories.
4. We have remained competitive in everything we do.

# Patton

## PATTON HOUSE 2004/2005

### Sports Day - November 2004

Football/Netball/Volleyball

We outshone the other houses in the soccer and netball but did quite poorly in the Netball. Strong participation and teamwork made us victorious, and we finished in **FIRST PLACE!** Great job to everyone!

### Cross Country - January 2005

This event proved to be more challenging, as a team we finished in fourth place but overall we did have outstanding individual results. Justin Lee, Alex Hart and Jasmine Quinn finished in second place in their age groups. Andrew Lake, Laura Ruse and John Lake finished in third place in their age groups. Well done everyone! As students of Warwick Academy and Patton house for 10 years, we have always thought our house was the best. Why, you might ask?

No, we do not always win everything but we have a certain pride. That pride consists of **TEAMWORK** and **PARTICIPATION**. This has been our success on so many occasions. While the sporting activities are often fun they can also present many challenges. During March Madness we can participate in something we like and have a laugh too. As a Patton house leader, I would say we are the Best!

Submitted by  
John Lake

**Student House Leaders Above**  
(LtoR): Daniel Cabral, Jasmine Quinn, Mark Dyer (Vice-captian), John Lake (Captain), Shante Ingemann (Vice-captain), Asha Ford (Captain)

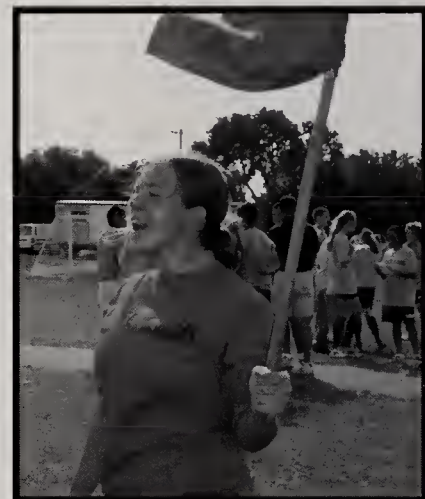

# Rhodes

Rhodes started the year off on a very positive note and in great form. Rhodes house spirit is high with almost 100% student participation, as a school and a house we are on the right track. What used to be a school of spectators is now a school of participants, which I am pleased to be a part of this change. Rhodes most pleasing result was winning the house shield for a first place finish in the cross-country competition. Rhodes house captains are Sarah Mastalir and Justin Maybury who have set the tone for the house with enthusiasm and leading by example. We look forward to many more successes as a house and a school overall!

IN ORDER TO WIN A BATTLE YOU MUST BATTLE.  
Mr. C - Rhodes House Master Triumphant

**House Captains (L to R):** Korie Tucker(Vice-captain), Sarah Mastalir (Captain), Jason Maybury (Captain), Vanessa James (Vice-captain)

# Robertson

Robertson House showed great spirit this year during our many inter-house competitions. Without exception, each member of the team gave 100% to offer fierce opposition to the other houses. We demonstrated that for our house, that the sum of the whole was more than the sum of the parts. It was very encouraging to see so many of our group pull together to support each other, especially our high school students who led the younger ones to some impressive wins.

Our House Captains were Davon Adams and Natasha Butterfield assisted by Khamani Fox, Akira Robinson, Cameron Perinchief and Tyler Thomas. They served as excellent role models to our junior members being the first to volunteer for any and all events.

We are already looking forward to next year's events. We have an excellent swim team and we had many entrants for the declamation contest, both of which should be closely fought contests with the other houses.

Finally a big thank you to our staff Ms. Dempster, Ms. Rogers, Ms. Okanta-Ofori, Mr. Thornton, Ms. Rawcliffe, Ms. Boate and Mr. Fray, who have been a great support to all our kids braving all weather conditions for the house with the most spirit, Robertson.

# ~Netball~

## Middle School Netball Team

*Front Row (LtoR):* Danielle deShield, Kori Hypolite, Che-Lei Trott  
*Second Row (LtoR):* Sydney Stafford, Jasmine Trott, Kenya Thompson, Jaesharrie Johnson, Taylor Bean, Sydney Tavares, Miss Butterfield-Wallbank (Coach)  
*Third Row (Lto R):* Christian Belboda, Mikhaila Faries, Kayla Johnson, Lianna Aggarwal, Shawnae Brangman, Taryn Swainson

## Primary School Netball Team

*Front Row (LtoR):* Sarah Maybury, Sonia Ooi, Amber Wilson, Valerie Hirschberg, Ashley Dill  
*Second Row (LtoR):* Mrs. Booth (Coach), Jacqueline Smith, Zaire Simmons, Janelle Simmons, Ashley Borges, Amber Lambert, Mercedes Pringle

## Primary School Netball Tournament

Eighteen teams, a record number turnout, participated in the Island- wide primary school netball tournament. Warwick Academy placed fifth overall. The girls played extremely well. I felt that we were unlucky with the draw as we had to play Paget twice and lost both games ...hence were knocked out.

Results were as follows:

WA	vs	East End - WA by default
WA 0	vs	Paget 6
WA 10	vs	St George's Prep 0
WA 6	vs	St David's 0
WA 7	vs	Southampton Glebe 1
WA 2	vs	Paget 4

Well done Warwick!

Submitted by Coach Booth

The Gift of Giving

Year seven students host a Christmas luncheon for PALS patients and their families. All guests were presented with a Christmas goodie box.

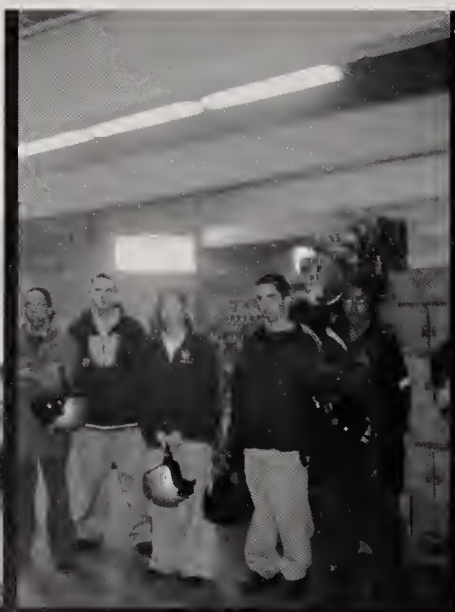

DRESSED FOR SUCCESS

Sixth Form Students prepare for their mock scholarship interviews.

"Swing On In"

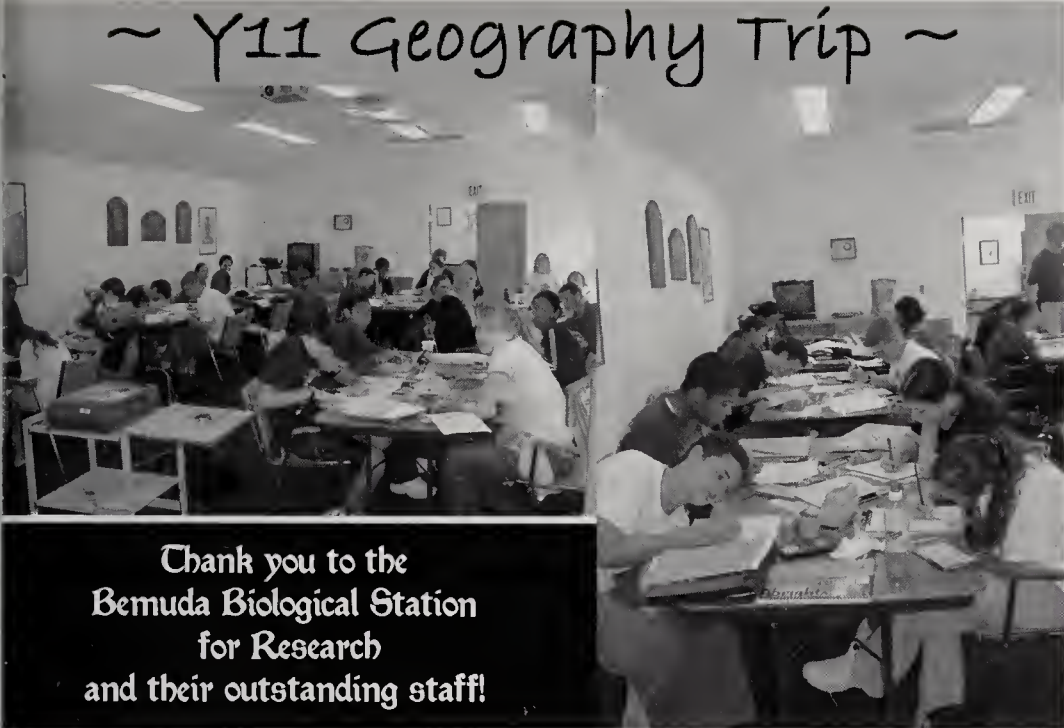

Swing dance performed by Ms. Dempster's year ten drama class. Admission proceeds donated to the Bermuda Red Cross Relief Fund.

"Got Milk" Sixth Form Students Visit Dunkley's Dairy

# ~ Y11 Geography Trip ~

**Thank you to the  
Bermuda Biological Station  
for Research  
and their outstanding staff!**

In November 2004, the Y11 GCSE geographers attended a three-day, two-night residential field course at the Bermuda Biological Station for Research at Ferry Reach St Georges. The group initially fund raised by doing a trash-a-thon on the Railway Trail in Warwick and organising a very successful Bake Sale.

The objective of the field course was to collect primary data to complete the compulsory requirement of the GCSE Geography fieldwork project, which represents 25% of the final grade. The topic considered was a comparison of the physical processes affecting north and south shore beaches in Bermuda. To collect the data for a north shore beach we traveled to Shelly Bay on the first day and recorded wave energy data, completed a beach profile using surveying equipment and took sand samples for analysis back in the Biostation laboratory. The weather was pretty grim with gale force winds and squalls but we all survived to go to Windsor Beach in Tuckers Town the following day when we had perfect conditions which encouraged some of the students to take to the water!!

On the final day, Mr. Fields and Ms. Bainbridge worked the students all day in the lab and the classroom to get the data and sand samples analysed and information written up. The students worked really hard.

It was agreed by all that the experience was an unforgettable one and thanks should be given to all the staff at the Biostation for their support.

Roj, the controversial cross  
dresser

The Sixth Form worked exceptionally hard to bring two one act plays to the stage of Warwick Academy.

The night began with a tense introduction to the relationship between Ben and Gus in Harold Pinter's "**The Dumb Waiter**". Directed by Ms. Dempster, with set design and construction by Edwin Bento, Arian Franks and Rajiv Mallory brought the hired assassins to life. As unexplainable events pile up, the play reaches its shocking conclusion that Gus is the one to be killed.

After only a brief intermission, the audience was treated to a heavy drama that deals frankly with the issues surrounding racism, in George Wolfe's "**The Coloured Museum**". Directed by Ms. Dempster and Bryce Williams, sound and lighting by Mike Baillargeon, Ciera Fox, and Rajai Denbrook, and choreography by Rhia Simons, "The Colored Museum" challenged the audience to examine their own beliefs surrounding racism and how to deal with it.

# Y11 at Whistler BC

An excited group of 33 Y11 boarders and skiers, together with four chaperones, flew out to Vancouver on December 16<sup>th</sup> 2004 to begin the Whistler ski trip.

The group skied/boarded each day from 9:00am till 3:00pm and then savoured the ambience of Whistler Village each night.

All too soon, five days had passed and it was time to present gifts to the instructors and prepare for the bus ride back to Vancouver and a five hour orgy of shopping at the Pacific Centre Mall.

Loaded down with shopping bags and considerably lighter in the pocket book, we boarded the red-eye for Toronto just before midnight.

A winter wonderland greeted us in Toronto, courtesy of a sudden storm, and it was several hours before our plane could be de-iced and begin the final leg of our journey back to Bermuda.

A tired, but happy, group were greeted by parents and friends and vowed this would not be the final ski trip!

# Sixth Form at Killington VT

On Superbowl Sunday, February 6<sup>th</sup>, the sixth form ski trip lifted off for Boston's Logan airport en route to Killington, Vermont. We checked in to the Mountain Green Resort in time to catch the second half of the Patriots' win, much to Miss Grace's delight.

The following morning we met our instructors and were kitted out with skis and boards. Mornings were spent in ski school and afternoons were spent practising with friends

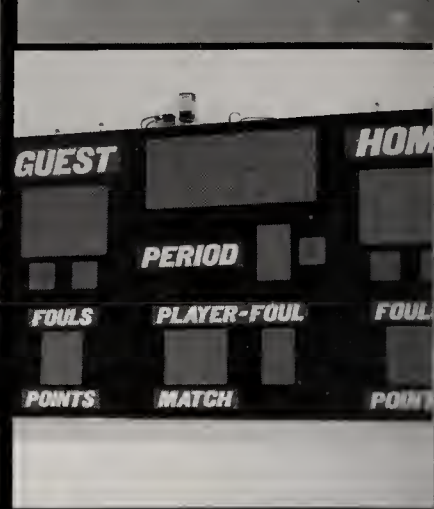

Midway through the week we were treated to an overnight dump of 18 inches of fresh powder which proved testing until the groomers took over and flattened it all out.

The awards presentation took place at the Outback Pizza where entertainment was provided by the boys' break dancing to various degrees of success.

On Friday we travelled back to Boston for shopping at the Galleria Mall and a night at the luxurious Royal Sonesta Hotel. The happy, but tired, crew arrived back in Bermuda with bulging bags and empty pocket books and a few bumps and bruises!

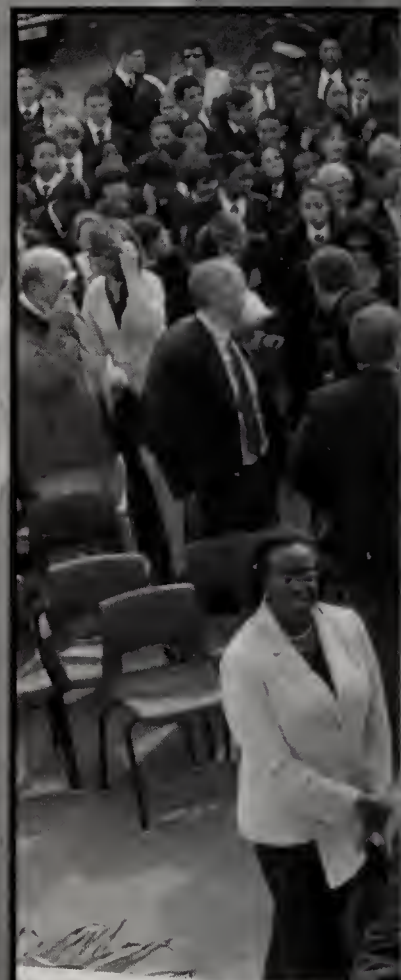

## THE NEW SPORTS CENTRE, PHASE THREE OF

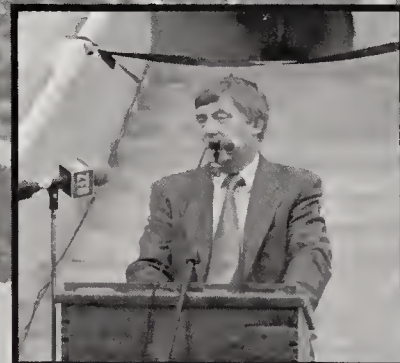

The new sports centre was officially opened Friday, February 25th, 2005, by Alumni and Olympians, Jennifer Adkins-Smatt, (Class of 1991) and Clarence Saunders, (Class of 1980).

### Letter from the Student Yearbook Editor

Firstly, I would like to thank Mrs. Hunter and Mrs. Steynor, they both worked very hard on this book and I feel they do not get enough recognition. On behalf of the school, I would like to extend my thanks to the both of you for the work you do to make the yearbook a success. The hard work pays off.

At the beginning of the year when I became the student editor, I decided to make this yearbook something special that the students would cherish. A yearbook should be something that helps you remember the good times of the school year. These years are refer to as best times of our lives and the yearbook is the best way to preserve them. The yearbook should also make the student body happy and this year I feel that we have worked very hard and have a great book to show for it.

I would like to thank the yearbook committee. This year the committee was Sixth Form and Year Eleven students and they worked hard to complete the book. Thanks again. In addition, a thanks goes out to Kayla for her help.

One of the major things that we do when we produce a yearbook is try to represent the whole school fairly. Therefore, another thanks goes out to the teachers, parents, and students who make time to take pictures and give them to the committee.

This is a yearbook to remember and I am proud of it. (If you do not like it, Kayla did the whole thing.)

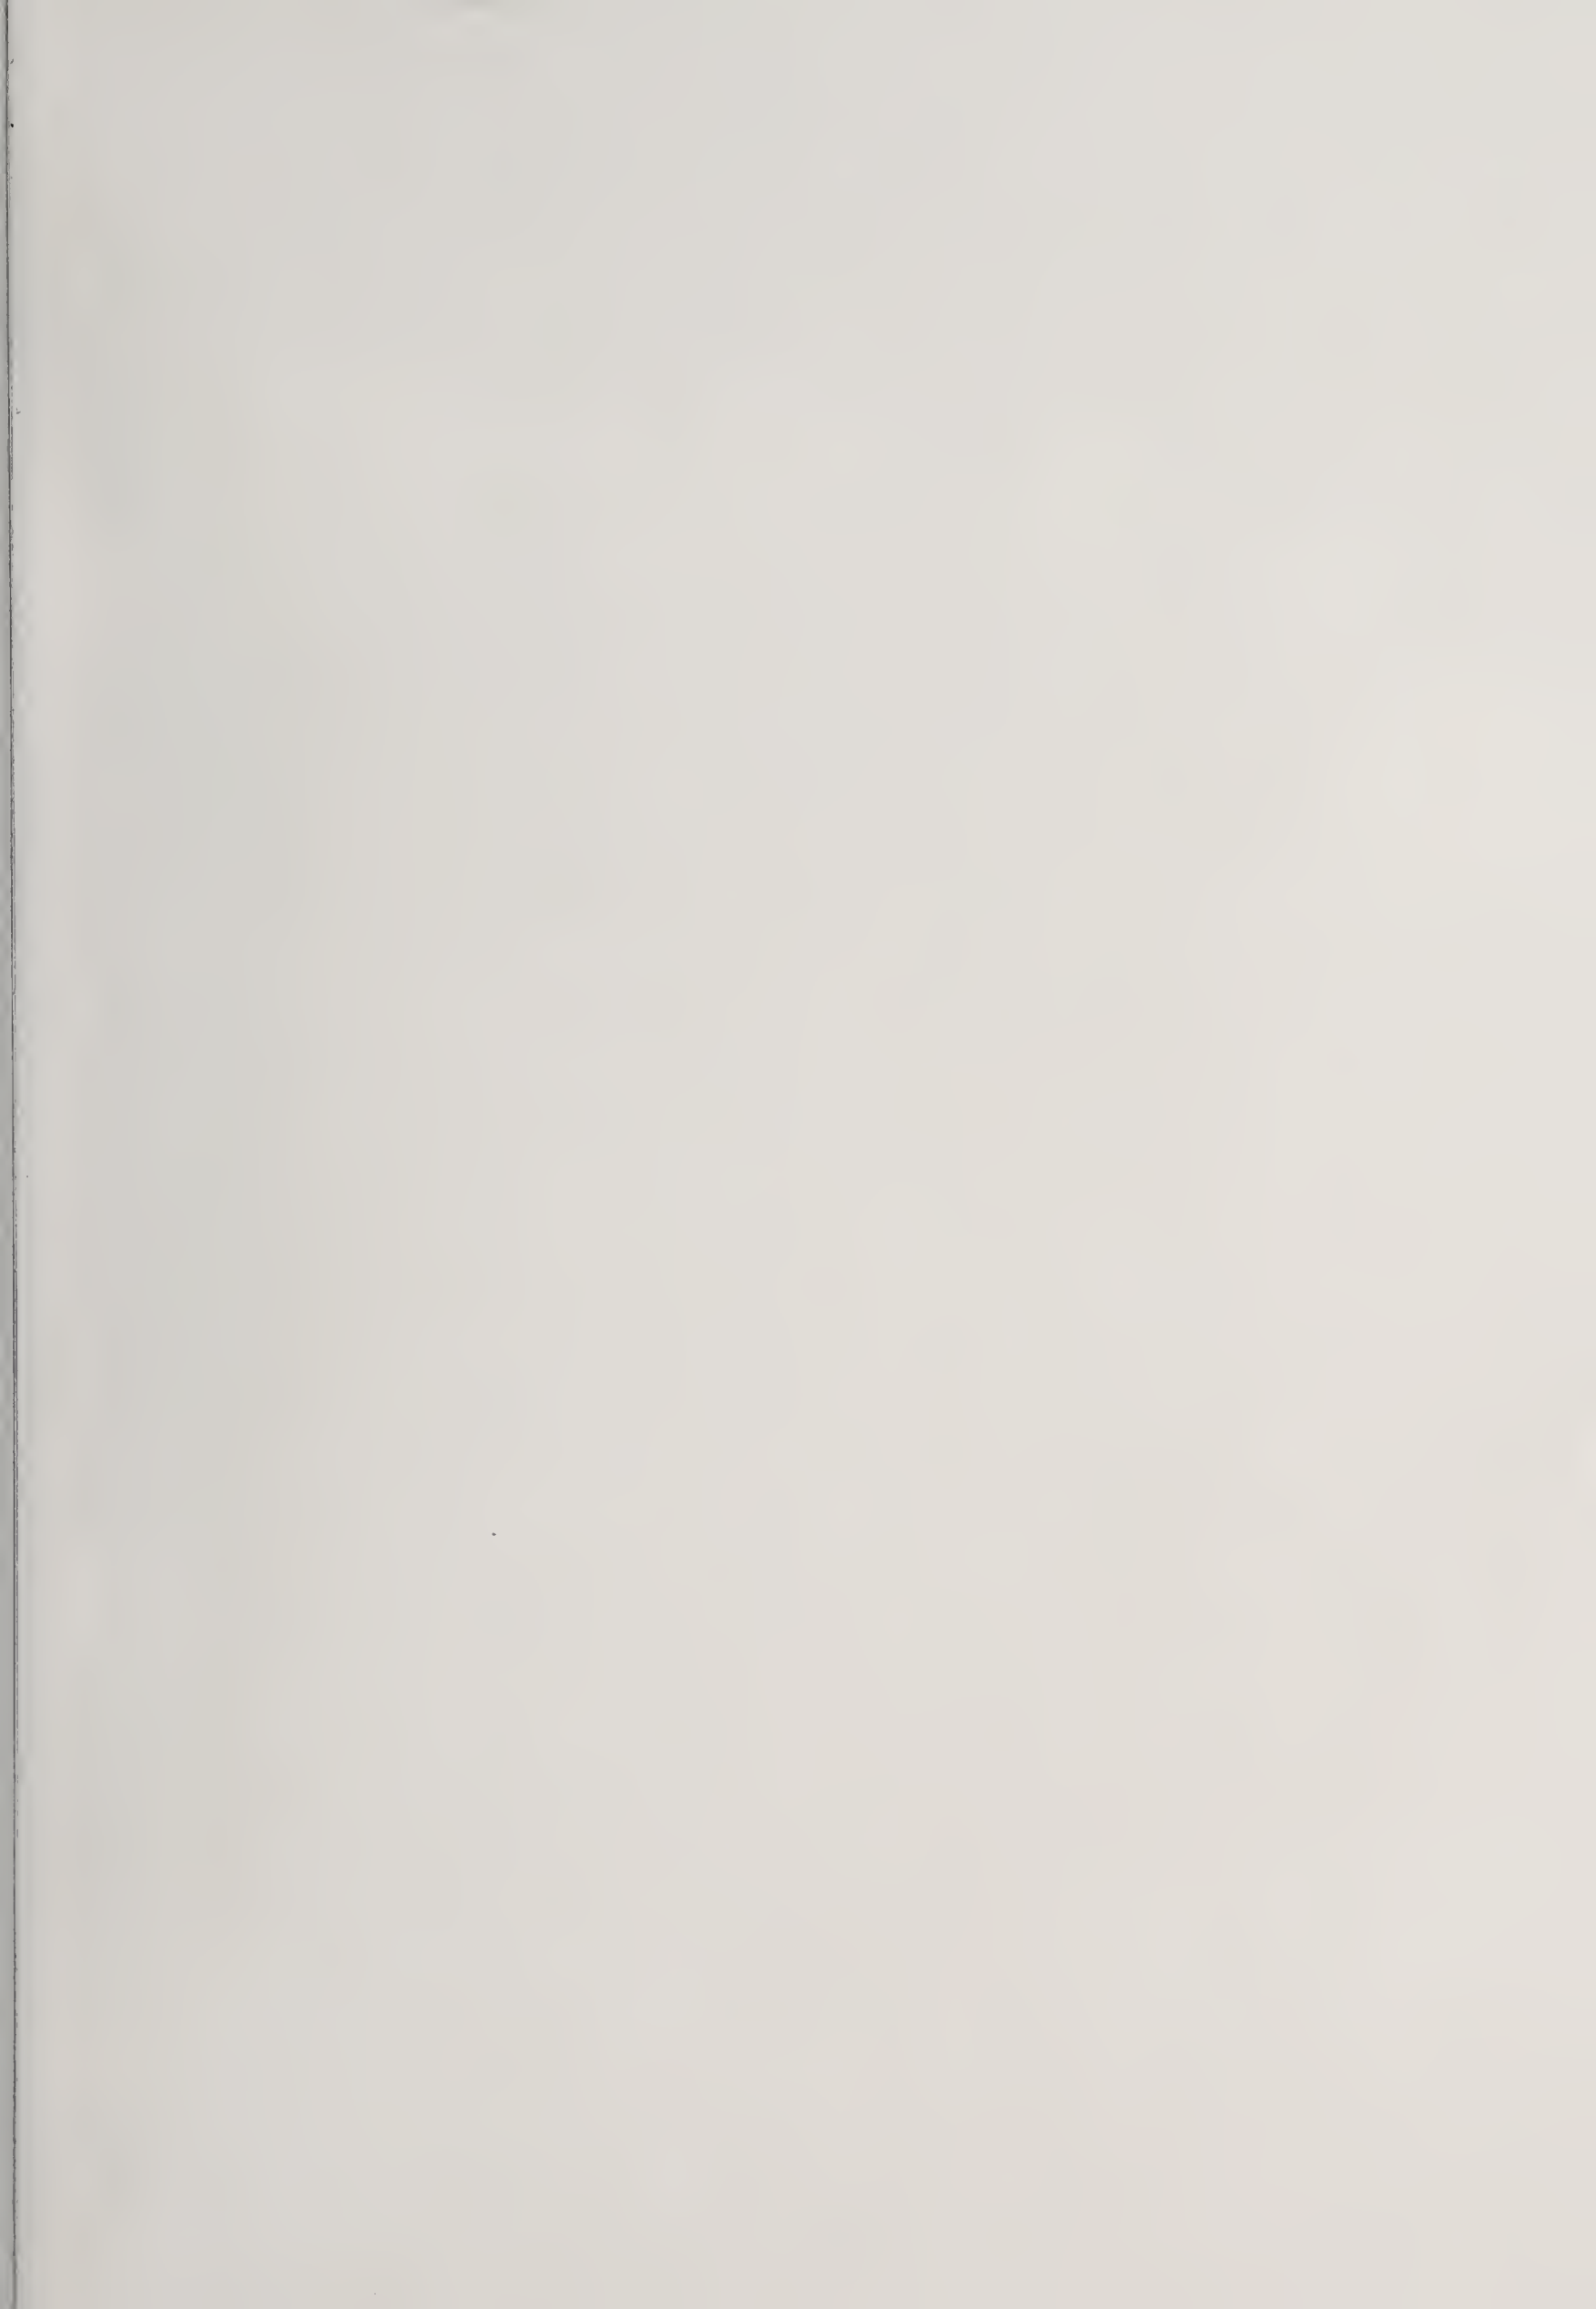

Enjoy,  
Raj Butterfield
